

Office of Legislative Counsel

Journal

Monday - 19 January 1959

3. Met briefly with Mr. Smart, Chief Counsel, House Committee on Armed Services staff, and made available for the Committee library a copy of **CENTRAL INTELLIGENCE AND NATIONAL SECURITY**. Mr. Smart also indicated the Subcommittee matter was proceeding well. See Memorandum for the Record.

4. Met with Representative Glenard Lipscomb to advise him that the Agency had made efforts to follow up on the letter he furnished to us last year which had been left in his overcoat pocket in Stalingrad. He was very pleased that we had remembered him in this and stated he wanted to make another trip behind the Curtain in the future and certainly would call on us in advance. Mr. Lipscomb also asked if we had any material on conditions as they are at present in Soviet Armenia. We will look into this and advise.
